Coaching Education (24CAM)

Description

The Department of Health and Exercise Studies offers a 17 hour minor in Coaching Education designed to prepare students to assume coaching responsibilities with a sound theoretical and practical background. The minor provides students with a foundation of essential coaching skills; (a) the basic knowledge, understanding, and application of coaching philosophy, sport psychology, and effective teaching techniques; (b) the basic principles of human anatomy and physiology, kinesiology, and exercise science and the practical application to coaching; (c) injury prevention, risk management, and the treatment of sport-related injuries; (d) theories and techniques necessary to plan, organize, and implement sport programs; (e) and a demonstration of motor skills and strategies involved in coaching specific sports.

The minor will require a minimum of 9 hours plus the practicum experience taken at North Carolina State University.

Admissions and Certification of Minor

Any student seeking a minor must consult with David Conner on a plan of work and must file a copy of this plan with the major advisor as soon as the minor is declared — at latest, by the end of the regular registration period one semester prior to the semester of graduation. Plans of work filed late may result in recognition of the minor NOT appearing on student's final transcript.
