Military Studies: Aerospace Studies (24MSASM)

Description

The Departments of Aerospace Studies (AS), Military Science (MS), and Naval Science (NS) offers a minor in Military Studies to any undergraduate degree student interested in learning about military skills and careers. Students will develop the mental, moral, and physical skills needed to make them capable of being stronger leaders. The desire to assume the highest responsibilities of command, citizenship, and government will be instilled. Students will also be instilled the highest ideals of duty, honor, and loyalty in order to commission college graduates as officers with a basic professional background and motivation toward careers in the military.

Requirements

- Complete 15 credit hours from any one of the following concentrations.
- A grade of “C” or better must be achieved in all courses taken.
- A minimum of 6 hours must be taken at the 300 or 400 level. Students may combine courses from the lists.
