

Leadership: Cross Disciplinary Perspectives (24SLC)

Description

The Leadership: Cross Disciplinary Perspectives minor is a 15-hour minor that is designed for students who seek to gain greater knowledge and understanding of leadership perspectives from a variety of academic fields of study. The coursework is composed of courses grounded in theory, inquiry, and application. The student has the opportunity to select the specific courses which best fulfill his/her needs while maintaining a broad perspective on leadership across fields of study. The student in the minor may be preparing for graduate work or any field of study within the university.

Requirements

- Completion of a minimum of 15 required credit hours.
- A minimum overall GPA of 2.5 in the minor.
- Students may not take minor coursework on a credit only (pass/fail) or S/U basis.
- Four college discipline areas need to be represented toward minor requirements.
- The program coordinator will certify the minor prior to graduation.
- A minimum of 12 of the 15 required hours must be completed at NC State.
- The minor must be completed no later than the final semester in which the student expects to graduate from his or her degree program. Paperwork for certification must be completed no later than during the registration period for the student's final semester at NC State.
